HOW TO STUDY THE BIBLE BY MAX LUCADO

PART 2

What is the purpose of the Bible?

Let the Bible itself answer that question.

Since you were a child you have known the Holy Scriptures which are able to make you wise. And that wisdom leads to salvation through faith in Christ Jesus (2 Timothy 3:15)

The purpose of the Bible? Salvation. God's highest passion is to get His children home. His book, the Bible, describes His plan of salvation. The purpose of the Bible is to proclaim God's plan and passion to save His children.

That is the reason this book has endured through the centuries. It dares to tackle the toughest questions about life? Where do I go after I die? Is there a God? What do I do with my fears? The Bible offers answers to these crucial questions. It is the treasure map that leads us to God's highest treasure, eternal life.

But how do we use the Bible? Countless copies of Scripture sit unread on bookshelves and nightstands simply because people don't know how to read it. What can we do to make the Bible real in our lives?

The clearest answer is found in the words of Jesus.

"Ask," he promised, "and God will give it to you. Search and you will find. Knock, and the door will open for you." (Matthew 7:7)
